

Improve Hiring for Thousands of Businesses

At Recruiting.com, we believe that while recruiting is a “people game,” today’s Internet technologies can have a dramatic impact on the recruiting process and an organization’s success. We’re more dedicated than ever to helping companies find great talent by building the world’s best career sites.

We welcome partnerships with organizations who share this vision.
Expand your reach – and your business – by working with Recruiting.com.

What can you look forward to as a Recruiting.com partner?

- + Increase customer lifetime value
- + Increase customer average spend
- + Increase product value and ROI for customers

Empowering recruiting success is our business. Results that our clients have seen, that we are proud to share.

Leverage Recruiting.com Advanced Recruitment Tools

ATS Integration

Automatically distributes jobs posted in the ATS to the career site and allows for candidates to apply back through the ATS.

Employment Brand & Design

Effectively communicates, engages and converts candidates through compelling copy and design.

Mobile Recruiting

Provides a positive and modern mobile career site experience to improve application rates.

Social Recruiting

Shares the full career site and streams open requisitions on Facebook and Twitter, increasing reach to followers, friends and networks.

Recruiting Analytics

Delivers data and information to give insight into career site performance and candidate behaviors to improve ROI over time.

Strong Search Visibility (SEO)

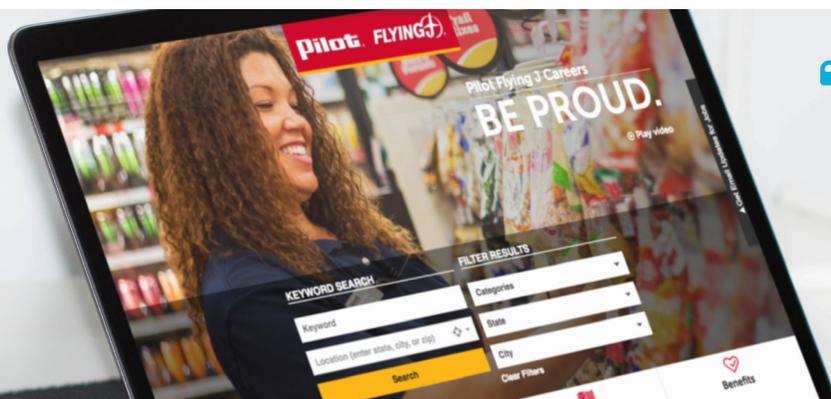

Enhances the visibility of jobs to search engines through clear URLs, site structure, job schema and markup, and unique, relevant content.

About Recruiting.com

Built by an HR professional for HR professionals, we believe that recruiting the right talent is the single most important ingredient to organizational success. We've honed our expertise for more than a decade, supporting thousands of employers and serving over a quarter billion job seekers.

- + Over 500 company career sites
- + Proven client success and real recruiting results
- + High client retention and nearly 50% on multi year contracts
- + Successful integrations with 100+ Applicant Tracking Systems
- + Top customer verticals include: Healthcare, Social Services/Nonprofit, Education, Hospitality and Retail

Proud to support well-known brands and hundreds of businesses, including:

After launching the career site, we experienced a 30% increase in driver applicants in the first six months.
